ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

Sweetheart Abbey, Dumfries. Also known as the New Abbey, to distinguish it from the Old Abbey of Dundrennan. It was formerly a Cistercian abbey and was founded by Devergoil, John Balliol's wife, in 1275. This lady's affection for her husband was so strong that she commanded that her deceased husband's heart should be laid with her in the tomb—hence the romantic name of the place.
